“ When my granddaughter Stephanie met your son Ed, we got to know each other, bit by bit, at all kinds of gatherings - bridal showers, weddings, baby showers, or just when I came up to New Hampshire to visit family. I have thoroughly enjoyed our conversations over all of the meals we shared whether at the Old Salt, the Chinese buffet at Jade Palace, or one of the many other places that our paths crossed. I will always remember you as so nice and so easy to talk to. May you rest in peace. Gone too soon.

“ The measure of a life is love ... the love given and the love received. We have been so blessed to get to know you as our families blended together when Ed and Stephanie got married. Over the years, we have seen you pour so much love into your family and into our shared grandchildren. We have witnessed how much your children love you - totally and completely. And your love was not limited to your family. Your compassion for others was always evident. Your last title was Nana - one you embraced so fully in pouring love into those two precious little ones. I remember you teaching Olivia “I’m a Little Teapot” while she moved to the words. I remember them watching you as you mowed the lawn - moving from window to window pointing and commenting. They love you so much and will miss you, as we all will. You are gone too soon. Every time Teddy says, “Holy smokes!!” we will think of you with fondness. Rest in peace, dear friend. *I lost a dear sister in law but also a dear friend.  
Always so positive. You brought smiles and laughter into a room.  
I wish we had more time together. I feel like we were just getting to  
know one another more as sisters than just sisters in law. Our phone  
chats. Our lunches. Our plans that we never got to realize. Gone too  
soon.  
You will be truly missed.  
Love you.
