“ I worked at Bayberry and was fortunate to get to know Pat for the past 71/2 years. we had many chats about the family and all the babies that kept coming. I feel even though I have not met most of the family I feel I know them. I know her favorite places( Nubble lighthouse). Her 4 th of julys she was able to go to the family gathering . She had so much love for her family. She was so proud of them all. Thanks for letting me share your mom and grandmother enjoyed helping her and visiting when she had to move. “ Pat and I were lifelong friends. Our families were members of Sacred Heart Church, Remington, In. We attended school together for eight years. We then attended different high schools, She Remington and most of the class to Wolcott. We were each fortunate to be chosen for Indiana Girl's State, between our Junior and Senior year. So, we "re-bonded. We both loved reading and excelled in school. After our families were grown and we could travel, we had many visits at each other's homes. Dave and Pat were wonderful friends, I have kept all in my prayers and will continue to have fond memories of them. Our condolences to the family at this time of closure. Rest in our Lords arms my dear friend, Pat.
