

## Patricia Ann Cutshall

December 20, 1935 - February 7, 2022

North Hampton - Patricia Ann Cutshall, 86, of North Hampton, died on Monday, February 7, 2022, after a valiant battle with cancer. Born on December 20, 1935 in Cleveland, OH to Joseph and Stella (Trojansky) Bobincheck, Pat was the first in her family to attend college, graduating from Bowling Green University in 1958 with a Bachelor's Degree in Speech & Hearing Therapy. She enjoyed using her training to help children as the first speech therapist in Rockingham County.

During her college summers working at Lake George, NY, Pat met the love of her life and best friend, Harlan G. Cutshall. Pat and Harlan married on June 4, 1958, and their 63 years of marriage have been an inspiration to all who knew them.

Pat will be deeply missed by her four adoring children - Cynthia Lenehan and husband Kevin of North Charleston, SC, Christopher Cutshall of Portland, ME, Katy Cutshall and husband Mauricio Vivado of Bedford, NH, and Mary Beth Cutshall of Atlanta, GA. Her 10 grandchildren and 8 great-grandchildren were cherished and brought her much joy. Pat also had many beloved nieces and nephews. She was predeceased by her sister, Judy Ruggie.

Pat was a phenomenal friend. As an inquisitive, lifelong learner and active participant in her community, Pat easily developed dear friendships through

her many pursuits. Her generous spirit, confidence, and enthusiasm made all around her feel special and cared for. Pat had a love for fine art and was a past President and long-time member of the Rye Arts Study Group. She was a voracious reader and enjoyed combining her passion for books and conversations with good friends through Shakespeare Readers and The Perfectimundo Book Club. Dance played a role throughout Pat's life, from dancing with the Cleveland Civic Ballet in her teens to taking Zumba classes into her 80s. Always looking to help others, Pat served on the boards of many local non-profits and spent her later years as a volunteer driver for TASC, assisting those who could no longer drive themselves.

Pat showed her love to her family through so many avenues. Her family will miss her regular phone calls, newspaper clippings, and stuffed cabbage. Pat found beauty everywhere and in everyone around her and, in turn, effortlessly made everything more beautiful through her style, grace, and kindness. Those winning traits created both relaxed and rich gatherings for family and friends. Always approaching life with positivity, Pat found pleasure in so much in everyday life, both big and small, including gardening, decades of tennis with good friends, vibrant color, word games, leftover cake for breakfast, doughnuts, trips in her string of convertibles to Lago's for ice cream, print newspapers, and the Red Sox and Celtics.

Pat's optimism and strength will be forever missed. With Pat as a role model, loved ones will continue to aspire to her zest for life by living their own lives to the fullest.

A Celebration of Life will take place in warmer weather. In lieu of flowers, the family suggests memorial donations to Gather (<https://www.gathernh.org/>), the Seacoast food pantry, at 210 West Rd #3, Portsmouth, NH 03801. Please check back for service date and time updates.

“ *When I think about your mom which I often do. It brings back so many wonderful childhood memories. She was amazing. Classy, kind, understanding and non judge-mental. I adored her. She was very much an influence in my life. I'm grateful to have known her , all of you. She was fun, adventurous, understanding. A free thinker , spirit. She was genuine and real. Her unique style, her grace, her beauty is unmatched. I could go on and on. To this day one of my favorite things to do is listen to the Red Sox on the radio and I swear each time I can smell the starch from the clothes being ironed and the game in the background. I was fortunate to have been influenced by an incredible woman who probably never knew what life lessons, gifts she gave me. For those I am eternally grateful. Thank you Mrs Cutshall from the bottom of my heart. Rest easy. Rest In Peace. I will always remember. Xoxo*

“ *Pat and Harlan were neighbors who graciously shared plants from their property to enhance ours. When I heard the sounds of their water fountain, I knew that I wanted that same feature. I appreciated their friendship. I knew Pat was a dancer because I so admired what beautiful posture she had. Thanks for the memories. Karen Bracco*

“ My heart is heavy after learning that Pat is no longer making the world a kinder, brighter, more graceful place. I was so fortunate to know her, to have one on one time with her over lunches at Rudi's, to soak her in. I'm sending peace to all of Pat's family and friends, and of course, to Mr. Cutshall.

“ Such a lovely lady with a smile on her face and sparkle in her eyes. Her children attended Busy Beaver Kindergarten in North Hampton where my mother Maurine was the teacher. My mother was always impressed with Pat's enthusiasm for life.

“ I met Pat on the first day of high school. We became immediate best friends. She was my Maid of Honor and we were God parents to one of each other's children. Distance and time kept us from being in person friends but communication kept our friendship alive until the day she left us. Rest in peace Pat you've earned your reward in heaven. Thanks for choosing me to be Katy's Godmother.
