“ *Miss Pat you were one classy lady that always made people feel special. You rolled through life in an adventurous manner few will be able to match. If we all feel this way your loved ones will be at loss. During that roll you also taught strength and fortitude and these lessons will prove essential as your love ones fill the void you are leaving. You were sweet, kind and humnle.. I will miss you*

“ Nana I loved your smile and your hugs! We will all miss you terribly but we are glad you're not in pain any longer. Your Joanne will be lost without you, for awhile, but she's a wonderful, strong woman. She'll carry on your legacy with her children and grandchildren and continue to be wonderful like you! Rest easy! We'll take it from here! Love you!
