I worked with Patsy from fall of 2016 to Nov of 2017. She was hard working, tough and no nonsense, and we all loved her. She came to work through some very hard times and never complained. A wonderful lady with a big pesonality that we all missed after she left. She is at peace now, and my condolences go to her family. She was such a big presence for such a little lady. I know it will be difficult without her.

Crystal, so sad to learn that your Mom has passed away. She was a great lady - funny, straightforward and no nonsense, but still warm, gentle and kind. Such a sad loss for all of us. She was the only one I ever trusted to sub for me at work because I knew she was honest and everything would be in order.

Stay strong and I will keep you both in my prayers.

Dear Patsy, I have a privileged to work with you and got to know your personal life for the past 20 years. You were the kindness person who always help your co-workers. You were strong, definitely straightforward and no nonsense! and I grew to love you, as a person you were! You are now in peace, rest and enjoy your life in the heaven, do all the things that you want to do, but never have a chance on this earth! God will watch over Crystal and your grand children for you - I miss you now and always will!!
