“ I love you so much dad. I miss you more than you could ever imagine. You were the best father anyone could ever ask for. You always made everything about us and never you. I never heard you complain. You gave 100% in everything you did. You were a role model and taught us to work hard and do our best. I honestly don't know what I'm going to do without you, I called you daily for help or advice. I admired you so much and am so proud to call you dad. Thank you dad for being our everything, father, husband, grandfather and great grandfather we will miss you. I will end this like I ended every conversation with you, by saying I love you.

“ I would like to give my heartfelt condolences to Dale and her family. I work with Dale at the Herrick Farm in Rowley. Over the past few years, as I grew to know Dale and her family, I could clearly see the deep connection of love and friendship Dale has with Mike (as we call him).

I always looked forward to the interesting "treats" Mike would create for the farm store: magnets with Herrick Farm scenes, screen printed potholders for the holidays, tree ornaments with cows and vegetables! He also provided Herrick farm with beautiful, professional style signs and advertising. What most impressed me about this was his connection with Dale and his desire to make Dale happy.

Once again, I am so sorry for your great loss. He will be missed by all of us at the farm. My thoughts and prayers are with you during this time of sadness.

*Love,

“ Mike was an amazing grandfather and great grandfather to Cartia, and always had many wise words of wisdom to help Skylar and I when we were in some tough times. He bought us a car, helped out whenever we needed financial assistance, and most of all loved us! He will be forever missed! ❤️
