

Paul H. Kelleher

September 20, 1929 - August 7, 2021

Tuftonboro, NH - Paul H. Kelleher, 91, of Tuftonboro, passed on August 7, 2021 surrounded by his family, after a brief period of declining health. He was born in Newburyport, MA on September 20, 1929, the youngest child of Neil T. and Lillian M. Kelleher. He was predeceased in 2013 by Peg, his wonderful wife of 62 years. Paul was a resident of North Hampton for 42 years before moving to Tuftonboro in 1998.

Most of his sales career was spent with Prudential, who honored him with their Community Service Award. He was active on multiple boards and committees during his time in North Hampton and Tuftonboro. He enjoyed life to the fullest. Woodworking, gardening, antiques and volunteering were just a few of his many interests. He was never idle. Paul traveled extensively, with trips throughout the US, Canada, Europe and the Caribbean. Most memorable were a month spent in New Zealand and a three week journey across Route 66 with his son for his 85th birthday.

Paul had a deep seated love for agriculture, especially fairs and auctions. He enjoyed time in both his flower and vegetable gardens. His greatest satisfaction was time spent with family. He was always helping others, even as his health was failing.

He is survived by his three children, Craig and Laurie Kelleher, both of North

Hampton, and Beth Kelleher of Keene, along with his devoted companion Joan Garand of Newburyport, MA. In lieu of flowers and donations, Paul requests to do something nice for someone less fortunate. A private service for the family will be held at a later date. Arrangements are by the Remick & Gendron Funeral Home-Crematory, Hampton.

“ *Meeting Paul Kelleher was one of my first memories of NH. I clearly remember the first time I was introduced to him at his home with Peggy in North Hampton. He was the perfect NH gentleman with his dry humor and straightforward, welcoming manner. I spent a number of Christmas Eve's at his home where I always felt so included in the festivities. Paul's hugs and wonderful personality will be missed by me and so many others that were lucky enough to know him. May you RIP Paul. Heartfelt condolences to his whole family.*

“ I could share a lot of memories that Paul and our families have had over the past years both at work with Prudential and our personal lives, needless to say I am going to miss our phone calls and things that we have enjoyed together for years.

“ My husband, John Borden, and I are so sorry for the loss of your dad. His son, Craig, is a dear friend of mine. I remember when he was so excited about flying to Chicago, renting a car and cruising down Rt. 66 with his dad. May those memories and many more help you, Patti and the rest of your family through this very difficult time. Much love, Vikki Howard

“ Paul and Peg were the best neighbors that my parents (Art and Natalie Lourie) could have. Always caring, willing to help, checking in, and that continued after my dad moved to Vermont with my sister, Diane. Paul and my dad, Art were always calling and visiting. My dad is going to miss those calls. In fact he had just talked with Paul a few days prior to his passing. Paul even came to my home to help my dad install a fence around my flower garden in Conway. So very sorry for your loss. I have fond memories of both Paul and Peg. Thinking of all of you.

Church is the appropriate place to meet a man like Paul and that is exactly what my wife and I did. Paul was a great friend. One Sunday as I was taking the collection, he asked me if we took plastic. I told him our machine was broken and we were taking cash or check. The next week he put in a dime. We had a lot of fun together. I will miss him. Until we meet again Paul. John and Connie Thompson
