*I am sorry for your loss. I loved working with Paul years ago at Shaw's. I admired his love for his family that he often talked about and how he loved his family Disney trips. One of the joys the last few months I worked at Shaw's was when the timing was just right as I was coming in for my open shift, Paul would be driving threw the parking lot in his VW bug with his 2 precious dogs. He would pull up and I would pat the dogs and wish me a great day! What a wonderful man! My thoughts and prayers are with your whole family.

“ *What a wonderful man and neighbor!! We will miss Paul's kindness, his wonderful music coming from his garage while he enjoyed his yard, his beautiful flowers that he and Phyllis always shared with us and just the pleasure of his company. He was a wonderful neighbor to us and I'll miss watching him walk Slugger and come by for a visit. Thinking of you Phyllis and sending prayers.*
