“ *To Paul's Family:*

I am saddened to hear of Paul's passing. Paul was a groomsman in our wedding back in 1976, so I have many good memories. He and Paul Mahoney lived upstairs from us for 3 years while at Lowell State. He was such a down to earth guy. I fondly remember how proud he was of his new bassoon. So much so that he sent out Christmas cards with a picture of the bassoon leaning on a chair. I'll always remember his smile and laugh. My prayers are with you all during this difficult time!!

“ *To the family of Paul Tuminowski we send our sincere condolences. I worked for many years with Paul at Process Engineering in Plaistow, NH. My wife and I have been to many of the Timberlane concerts when Paul was playing. It kept us in touch once Process closed. This past December Paul and I and a small group of men and women from Process were fortunate to have time together over a lunch. We had a very nice visit. I always enjoyed Paul's company. Until we meet again! Wayne and Pennie Ackley*

“ To Paul’s family,
My thoughts and prayers are with you at this difficult time. I have many memories of Paul throughout high school being connected with the band, and also later on, while he was helping his dad at Nevins Library. May he rest in peace and be in God’s hands!

“ Dear Nancy and Family: We were so very sorry to read of Paul's passing. So young, so sad for all of you. How do I get in touch with you? When your parents died I tried to reach you and never did. Please get in touch. Would like to send a Mass card but have no address. Again, our deepest sympathy to all of you. He was a nice man. I can still see him playing the piano in your garage!!! Our prayers are with you

“ *Paul and I were the best of friends in high school and college. We spent everyday together in college. We commuted together to and from Lowell University. We were like 2 brothers and share the love for music. We played in many bands and ensembles together. Paul had a great sense of humor and was always willing to help people. I will miss you.*
