“ *I was saddened to hear the news about Paula. We grew up together in Readsboro and I spent many a sleepover at her home. I'll never forget she had a pet skunk named Flower. As we grew into adults we became neighbors and we went through our 1st pregnancies together. After Tom and my daughter Lynsey were born (just one month apart) we would get together for family days and vacation (camping trip to Lake George, NY). Lots of fond memories. My heart goes out to her family and may our beautiful memories of Paula help get us through this hard time.*

*Sincerely,

“ I had the honor to work with Paula at Agri-Mark/Cabot since early 2012. She was so smart, talented, and a real team player. She had an incredible work ethic and always had such curiosity about our projects. Her death is a great loss to Agri-Mark and all her team members.

“ My wife Julie and I met and were married in part due to Paula's great matchmaking skills. Julie and Paula grew up together in Readsboro and were inseperable until life took them in different directions. We are so sorry to hear of this - so young, with so many loving people in her life who will miss her. We offer our sincere condolences to her family and our love to all those that Paula loved. The world will miss her. We will miss her.
