

Pauline J. Bergeron

November 3, 1937 - July 12, 2023

Hampton - Pauline J. (Bourbeau) Bergeron, 85, of Hampton, died on July 12, 2023. She passed away peacefully in her sleep due to complications of Alzheimer's disease.

She was the beloved wife of Richard A. Bergeron, with whom she shared 60 years of marriage prior to his death in 2016. Born in Lowell, MA. on Nov. 3, 1937, Pauline graduated from St. Joseph's High School. Before becoming a full-time homemaker to raise her six children, Pauline took great pride in being employed as a legal secretary. As her children became older, she returned to the work force in an administrative role on the campus of UMass at Lowell.

Hampton Beach was always a favorite family destination. Eventually, Pauline and Richard built a home there where they enjoyed their retirement. Many family events were celebrated at the "beach house". She was a daily beach walker who loved spending time in her award-winning flower beds which were enjoyed by many who walked by her home.

She is survived by her six children, Karen Ducharme and her husband Robert of Pelham, NH; Mark Bergeron and his wife Mary, of Pelham, NH; Glenn Bergeron of Hampton, NH; Celine Perfilio and husband Anthony of North Hampton, NH; Richard A. Bergeron of Raymond, NH and Renee A. Bergeron of Hampton, NH. She was "Memere" to Christina and Matthew Ducharme,

Jason and Jeffrey Bergeron, Morgan, Joseph and Ava Perfilio and Celina Bergeron. She leaves 3 great-grandchildren, Lucas and Margaret Ducharme and Liam Bergeron.

Special thanks to the wonderful staff at Webster at Rye, who took exceptional care of our beloved mother.

“ There are honestly too many memories from over the years. I will always remember an amazing Meme who was loving, generous, and always had a good sense of humor. I am sad that she was never able to meet my son but her memory will not be forgotten and he will always know who she was. I know she will watch over us all from a better place in heaven.

“ To Pauline’s family: My deepest sympathy to all of you. The notice of your mother’s passing in the Lowell Sun made me very sad; but at the same time, brought back so many wonderful memories. We were close high school friends at St. Joseph’s High School for Girls. In our senior year we both dated boys from SJHS for boys. We double dated regularly. Your mother recommended me to Atty Frank Zacharer and we worked together until she had Karen. We eventually married the SJHSGentlemen and were bridesmaids at each others wedding. Your Dad built the house on Sixth Ave and we lived on Eighth Ave and we spent lots of times together. With changes in our lives we drifted into different worlds. The last time i saw Pauline - i had a visit with her at Hampton many years ago - we had a great visit catching up and reminiscing. Your Mom was a wonderful lady - very bright, beautiful, kind, hard working, loving human being. May your memories of her be a blessing to you all.

Thank you, Aline, for that beautiful tribute. Mom often talked about the great times her and Dad spend with you and your first husband, especially in your young adult life. Mom was everything you described. We take comfort in knowing that she's reunited with the love of her life, our Dad.

Aline, thank you so much for sharing your memories of Mom. She always spoke so highly of you. I remember when I was in nursing school at UMass at Lowell, Mom found out your husband was my Economics professor, she was excited to tell me that he was her best friend's husband.

“ *My most fondest memories with Memere Pauline were at the beach house with my bonus mom Celine and my dad Tony when I was a kid. Memere would always make snacks and we would hangout in the back of the house and I'd feed the bunny chives she had grown...and I also munched on them too :) We'd take walks down to the beach and just enjoy the weather. I'm lucky to have had the luxury of that. Both her and Dick did everything they could for their family. She will be so missed by many, but in good hands with God now.*

“ *Celine was the first friend I made moving to NH. I spent time with her family and parents. I always kept decaf coffee in the house for her father and I adored her mother, sweet, soft spoken very polite. To the Bergeron family - I will miss her and I know you are all comforted in knowing she is no longer suffering. Being responsible for 6 children is a tough job. She is now at peace. Kathlene S. Blessings to all of you.*
