“ *Dear McGregor family,
My husband Joe and I became good personal friends with Poppy and Ken for about the past 10 years and are very saddened to lose her. We shared many good times together and kept up with our Tuesday night meeting up at the Press Room and sitting together. I treasured Poppy as a mentor and she gave me a lot of strength during certain times in y life. You always knew that she had the fabric of someone who also dealt with many of life's challenges and used her strength of character to overcome them. I really loved her as a friend and will miss her very much. Our condolences to all her family members and especially to Martha who I am glad to befriend during this difficult time. Fond regards,
Sandy Winter*

“ *Life is certainly a journey and the MacGregor family stands out to all who had the good fortune to come in contact with such an exceptional group of individuals. I know how much the family cared for and cherished their parents. Sending you happy thoughts and know that my family is always there to support you in what ever way we can. Poppi was a true matriarch and raised such strong daughters and sons.*

“ My sympathy to all of Poppy's family. I worked at Coldwater Creek and she was a customer.. She was always smiling and sharing a laugh with us. I remember the time I commented on the beautiful vest she had on. She told me she had made it herself. Well the next week she came to see me with a surprise, she had made me one!!! That is the kind of person she was! Some people just have what I call the light, and Poppy she had the light.

“ Hannah, Amanda, Martha and Malcolm so very sorry to hear of the loss of your mom. Your parents were wonderful and gave my family the most precious memories that we will always treasure of spending our summers in Rye at "the cottages". I used to see your mom come in for lunch at The Hilltop many years ago and always loved seeing her and catching up. She loved you all and her grandchildren.

With deepest sympathy and love,
