

## Penny Scott

January 22, 1951 - November 24, 2025

Exeter - Penny Scott, 74, of Exeter, New Hampshire passed away on the morning of November 24th, 2025 after a long fight with cancer.

Penny was born on January 22nd, 1951, to George and Virginia (Lenfestey) Kanouse in Summit, New Jersey. She was the first born of three children. Growing up in Summit, New Jersey, going to college at Colby Junior College in New London, New Hampshire, raising her family in Framingham, Massachusetts and finally settling in retirement in North Hampton and Exeter, New Hampshire Penny always remained grounded around New England.

Those who had the chance to know Penny knew what an overwhelming and accepting presence she was. Kind, outgoing, dependable. From her 20+ years as a member and the secretary at the First United Methodist Church in Framingham, MA to her multiple tenures in the Booster Room at Framingham High School as her children grew, her presence was always known and welcomed. Any “quick” trip to the mall, or any store for that matter, was in no way going to be quick. Penny was bound to run into someone she knew and thus the conversation began.

Penny is survived by her husband of 51-years Bob, her sons Jon and Alex, their spouses Christina and Jen, her grandchildren that she absolutely adored Addison, Jackson, Cooper and Elliott, her sisters Gigi and Diane, and

countless other family members and friends. Penny was preceded in death by her parents.

At Penny's request there will be no calling hours or services. Burial at Edgell Grove Cemetery in Framingham, MA will be private.

Memorial donations to honor Penny can be made to the American Cancer Society by clicking here.
