“ I remember my first visit to the Brennan house on Ossipee Lake-It was a beautiful house with beautiful views, and I remember thinking how fortunate this family was to have this house to enjoy. It didn't take long for me to realize this family and all that entered were even more fortunate to have the love this house held than the structure itself. Mr.& Mrs B created a place that it was obvious they loved having everyone together enjoying life! I used to love watching Mr.B as he watched his family and friends, his smile (sometimes giggle) said it all- he was content. His happiness was his family and their happiness. Mr.B - thank you for the good times, being a role model, your generosity, and welcoming me into your family. Every lake sunset , the sound of a beer opening, laughter of family and friends will remind me of you and your smile. You were truly one in a million 🍺🌅

“ I didn't know Mr. Brennan, but I am friends with his son Pete Jr. I know Petes dad meant a great deal to him: Pete mentioned him often. I know Mr. Brennan must have been a good man and wonderful father because of the great friend Pete is to me and the caring father he is to his children - I'm sure Mr. Brennan is very proud of the son he raised.
