*As I sit here trying to find the right words, it is with a heavy heart realizing Pete is no longer with us. Your sudden departure was a shock and It's difficult to accept that he's gone, but I find solace in the memories we shared and the impact he had on my life.*

*Pete was a close friend since elementary school and we shared many life experiences. Whether it was a shoulder to lean on during tough times or a partner in crime for our adventures, he was always there with unwavering support and friendship.*

*While we may no longer be able to share moments together in this life, your spirit will continue to live on in our hearts and memories. Thank you for being such an incredible friend and for gracing our lives with your presence.*

*Though you may be gone, your legacy will endure, and you will forever hold a special place in our hearts.*
