“ *Pete was a great brother, uncle, Dad, grandfather, husband and friend. Our sudden loss of him leaves a big hole in my heart. Growing up on Beech Hill, we had a lot of adventures and fun together, it was a great childhood with a lifetime of memories. He was always ready to help, advise, talk, text and email with something he read and always with a wonderful sense of humor. I miss that contact more than anyone will know. He was a great lover of nature, the birds, gardening, his home and new porch. Most of all, he fiercely loved his family and will be missed by all of us everyday. A wonderful man, loved deeply and gone too soon.*

“ Judy, Sarah and Hannah and families:

*So sorry for your sudden loss of a husband and father. Peter was a very special friend and neighbor. I will always cherish the visits and talks we had, whether it was how to repair my snowblower, complete a project in my condo, discuss the weather, wildlife in the yard, sports, town or national politics. As a gardener, Peter would push me every summer, are the cherry tomatoes ready yet? Any cukes? Peter was a confidante, mentor at times, and just an intelligent man with a sense of humor. He loved his family and was so proud of his grandchildren as we often exchanged stories of his and mine. Friends like Peter don't come along that often, I was blessed to have met him.*
