“ I had the pleasure of working with Peter at the Western Electric Company and realized immediately upon meeting him what a kind and pleasant man he was. In those days, a lot of people were looking to borrow a few dollars or for a ride to work. Peter was the first to always help out and looked for nothing in return. He enjoyed conversing and telling stories of old Haverhill, MA where we both lived in younger days. He never failed to inquire about your family. I saw the notice of his passing and was glad to see that he was able to enjoy life to age 94. Peter-may you rest in peace-you certainly earned it.

“ To Peter's Family you have my Deepest Sympathy in the loss of Peter. As most of you know Peter was the first person I met as my new neighbor when I moved into the Assoc. Peter knocked at my door and introduced himself and offer lots of informtion about the Assoc. and the do's and don't. He was a wonderful friend and loved his family and talked often about many. I felt I knew you all before I met you, his love of his wife and how he talked about her I know they are back together in love with one another all over again. I will miss my friend and I will pray for him each day for a wonderful place in Heaven. God Bless Peter and a Huge Thank you for all your help and great conversations we shared. You were a true friend and great neighbor, you will be missed. Rest in Peace my Friend. Your neighbor Grace
