Leo Girl

She has a smart ass mouth, but she's as honest as they come.
She's sarcastic, but she's got a heart of gold.
She's stubborn, but she's loyal as fuck.
She's a little bit pofar, so sometimes you just gotta laugh and let her have her way.

“ I think my mom JoAnne was across the hall from Peter at Hyder House. I spent a lot of time there last week and I heard of his passing. He was listening to John Denver and I stood in the hallway listening to the music throughout that day. The music gave me comfort as My Sweet Lady was my parent’s wedding song. Thinking of you all.
