“ *Joan and Kristen.... I am so sorry for your loss. Peter touched the lives of so many. Words cannot even describe how special he was. I will never forget all of his stories; he would always update me on the beach forecast the traffic reports and all the current events. He was such an overall great person with the biggest heart ever. He will be forever remembered as part of the family and I will always keep the memories of him close.*

I'll most of all always remember him sitting up on the porch telling me some long story....Making me late to wherever I needed to go!! But they were all worth it! And I won't forget any of them!! I love you both so much and I am praying for you both during this difficult time.
