“*Phil, In the short time we knew you, Chris and I quickly came to appreciate your warmth, wit and good nature. You were, and are are now, a free spirit that has blessed many with your "joie de vivre". We will miss seeing you out and about in Hampton. Your relatively short but very full life reminds me of the following.*

"That man is a success who has lived well, laughed often and loved much."

- Robert Louis Stephenson

Sue, Molly et al, we are deeply sorry for your loss. We hope that your love for, and memories of, Phil will quickly bring you comfort.

“*Good Bye My friend. So many summer days sitting in your driveway having a few beers and an occasional "mini patron". I was literally just last week telling the story of when you gave Drew the coke machine. You were the mayor of esker road! your wonderful personality and disposition was the foundation of our neighborhood and it was always a good day when I got to see you.....most recently buzzing around on the scooter with an ear to ear smile stopping at everyone's house to say hello. Your memory will be forever with me Sir, you were one of the finest men I have known. Safe travels and God speed*

“ Dear Susan, we met once or twice at the Linehan Golf Tournament. Phil was a great mentor for me. We continually shared info about the sports he loved so much. I looked forward to his updates on the technology of skiing and surfing, cars and other similar interests.

I will miss him.

I wish you and your family well.

“ You were one of the best Phil. The beach won't be the same this year. Lucky to have had such a great last Summer. There are so many good memories. I'll never forget how much fun we all had at the Jimmy Buffet tribute band. Beach days with you were the best and I'll be holding down your spot. Our hearts are broken.
