“ *Cindy and Rita, We have so many fond memories of uncle Phil...the summers on Moody beach, fishing... mostly getting sea sick on his boat and playing cards winning the coastline of Maine. He was kind, generous, easy to laugh and always had time for us. We will miss him greatly. Stephen and Andrea.*

“ *Mr. Phil has been a part of our family since we were kids. A friend to all the Beaudette's who became "Uncle Phil" in his new life with Aunt Rita. I will always remember his subtle and soft spoken sense of humor and great disposition. Unfortunately, I am out of state through Sunday and will not be able to attend any of the services. I extend my most sincere condolences and prayers to Cyndi and Aunt Rita and to all the Lesniaks. Love, Michael Cimon*

“ To Cyndi and Rita: I am so sorry that I can not make it up to be with you. No transportation at the moment. However I am so with you in Spirit and Love. Gerry (as I knew him all my life) was one in a million. The best cousin, ever. And we did get time to share memories, and each others company in Florida and here for gatherings. I still can recall the time growing up and being at the farm with him. Mostly the time when he saw that my cousin Ginny and I were up in the loft in the barn and he took the ladder away so we could not get down. he also was a great navigator as he took us for rides in the row boat. Most of all I remember his "Blue Beetle". He gives me memories I will always cherish in my heart. Most recently Rita, our boat ride out into the open ocean and how we all said our prayers as he navigated us back into calmer waters. So many fond thoughts of who he was and what he has done. I know now that he and John are sharing many stories, and that he is shining down on both you and Cyndi and in times needed you will hear him telling you exactly what to do. It's happening here in Oxford, with John.....and it will happen there in NY with Gerry. All my Love and rest in peace in the arms of our Lord. Sue and family
