“ I worked with Phil for many years at Digital Equipment and considered him a great friend. We shared many good times together. Phil was also a great softball umpire but most of all just a great guy. I am saddened to hear of his passing.

“ Phil, you were a wonderful fit in our family for so many years, always cooking some delish dish that everyone talked about even days later. Thank you for being a wonderful, caring, and kind husband to my sister Shay, and taking such good care of her during her difficult times. This is what true love is all about, and for the past week or thereabouts while you were at the High Pointe House Shay only left your side long enough to go home and get clean clothes. You will be missed, but when the Good Lord decides to take us home then we have done all we were put here on earth to do. So rest up because in the blink of an eye we will all be together again, and there will be no more see you later. With love and respect, Always Liz
