“ I knew Phyllis when working where she lived. I loved , "philly" with all my heart. I used to stop in and see her everyday. She would give me advice on stuff I would ask her. We both had a love for birds and we would try to identify as many as we could, Oh yeah, even though she tried to deny it, she loved the chipmunk we named Skippy. She would tell me of his antics daily. I'm going to miss you Philly, you were my confidant and my friend. So now, go fly with the angels cause you more than deserve it. I love you Phyllis and always will. You go fly with the angels girl, I will miss you

“ I am truly truly sorry. I thought the world of Phyllis. Always fun. So easy to talk to. So easy to get along with. When we met in the grocery store, we talked forever! Even though I didn't get to see her much I thought of her often and will miss her very much.
