Even being distraught by the loss of my eldest cousin, Phyllis Anita Saluto Pomerleau, the loving memories of her life's presence will live forever in the hearts of the many who were privileged to be in her life. She treasured her biological family, especially her niece, Lisa Fiscella, and nephew, Craig Szambel of Long Island, NY, the children of Phyllis's late sister, Betty Szambel. She shared many good times with her ONE half sister, Jackie Scott, in Mims, Florida. While Phyllis will be sorely missed, we accept comfort knowing The Lord has granted peace and eternal life to this precious angel. Fly high, Dear Cuz!!

Thank you for all the beautiful memories we have shared over the years Phyllis. I will miss you around the Thanksgiving and Christmas table and the amount of food you ate at our bbqs. You certainly had an appetite that could match anyone. I loved your quiet and gentle spirit. We were lucky to have known you and it was an honor to have you as part of our real family. Go in peace and may God bless you and keep you. Please give Cheyl and Suzanne a big hug and kiss from us.... Love you, Lois and Diane
