“ *Oh Pdrake I have trouble believing your not here, that I won't see you downtown, or get a text saying, meet me after work. You were a special person to me, you made me laugh quite a bit. My last really funny memory was dinner and drinks at the Brick house, where you picked the food up and served us because the waitress was playing on her phone.. You are so missed by your family and friends. They danced for you last night - love you p.*

“ Road trip to Vermont, ladies long weekend. Phyllis being the most adventurous, snuck in to the sauna but little did she know, while she basked in the heat, we took her clothes and ran down to the pool. She showed up 10 minutes later in a towel and a big grin and joined us the pool like nothing ever happened. The joke was on us!! Just one of the many moments that defined phyllis. She was cool as a cucumber.
