“ *Priscilla was such a delightful girl. Loved being with her, Oliver and Catherine going to yard sales. She and I had great telephone visits. I know she will be missed. To all of you who are left to remember her, please do so and make sure memories of her are carried on.*

“ Love you, Priscilla! Teenage memories of a great family. It doesn't take just parents to raise children, it takes a community of great mothers and fathers. Thank you for being part my childhood!!!❤️
