“ *I'm going to miss my mom. We had so many good times together. In the later years she would wake me up early Saturday morning so that I could drive us around to the yard sales. One of her favorite things was to play Video Poker at Foxwoods in Connecticut. She would get up early & go to New York with me to pick up rugs. On the way home we would stop at the Casino. She could play all day on \$30.00 - \$40.00 and have the time of her life. She would talk about our trips till it was time to go again for a new adventure. She was the heart of the family. She worked the hardest but smiled the most. She did more for everyone than herself. She was also the joy of the family and We will miss her forever*

“ *Many pleasant memories of time spent at State Daughters of the American Revolution meetings all over the state. Many flea market sales on our front lawn with Priscilla and young Frank hauling in stuff. Cousin Priscilla was a good friend. We just lost her cousin, Francis Webb, now Priscilla. My thoughts and prayers are with Priscilla and Frank.*
