“ *Very sorry for your loss. I am looking to see if this is the same Moaratty that owned a small log cabin in Clarksville, NH. We are now the owners and have completely restored the cabin and just wanted to share some memories if we could as well as gain and info about the property.*

thanks,

“ Bob & Nancy and boys. Sorry, I know what you are going through. So sorry. I keep remembering the times we had at camp. Grampa & Bobby out on the water catching fish of all kinds. They enjoyed each other, and were great hunters & fishermen. Keep in touch. Love, Joyce

“ *Bob..you are truly already missed. I will never forget the many laughs we shared, our talks, and most of all the two of us belting out Melissa Etheridge together and not caring who could us hear us. You really were a great step-dad. I promise I will take care of Mom the way you always did. I was lucky enough to have you in my life and to call you my step-dad. I will continue to wish you a Happy Birthday and a Happy Fathers Day every year as I always have.*

I hope you are comfortable now and no longer in pain. You no longer need to fight. I love you and hope you are having "a wee touch of Irish" up there! Until we meet again..CHEERS!

“ Sending love and prayers to the Moaratty family during this difficult time. I will always remember the wonderful times with our families when I was growing up. Bob always made time for my mother and visits from him always brought a smile to her face during the last years of her life. Time with Bob brought about all those wonderful memories our families shared for my mum. Rest In Peace Bob.

A candle can only flicker in the wind and leave a delightful fragrance to remember it by. But you my friend left your ever lasting expression in my minds eye.

And my sister Paula will miss you forever!

May you find serenity in heaven.

Miss you dearly..... .Susan Molloy, Kreyger
