“ *My condolences to the family....I can't tell you how much Mona meant to me. She was a very special lady and one of my first friends when I started my job at the Hampton Recreation and Parks Department. She was very active teaching crafts for us and being a part of the Senior Citizens Club so I was able to see her often. She was always kind, funny, generous and helpful. Besides missing Mona, one of the things that my husband and I will miss are her "Modest Monas Fire and Brimstone Pickles" that she would make sure we got every Christmastime -I miss those visits -they were always a delight.*

I will also always recall her 100th Birthday Party - I remember looking at her in awe thinking how lucky she was to have lived so many great life experiences and to have such a lovely family and so many friends surrounding her. I feel bad that I have not been able to see her these last few years but have thought of her often. I will miss her, her wit, her friendship and smiling face. Rest In Peace Mona, Dyana (Lassonde) Martin
