“ Randy, You always were so special to me for many reasons. You took on the role of my big brother and I knew I could always count on you to have my back.

You also were a loving husband to my best friend, and for that I was always grateful.

And you were so loving a father to Dana, who was so very precious, and helped Zinhna to raise an incredible, beautiful young woman, Alexandria, whom we all adore.

Thank you for always being so loving, so supportive and so kind. I will miss your wonderful big bear hugs, your smile, and sense of humor- and everything that made you special.

Our love is with you always, Lisa

“ Uncle Randy you are the best Uncle ever in the world and husband to Auntie and dad. I do not have one moment when I was with you were you were not smiling or happy including Saturday which was the last day any of our family would be graced to be with you. Ill never ever forget you or our last conversation where you told me I am Karyn on steroids. LOL. To anyone person who has been around my uncle and his beautiful family knows what an amazing and loving person he is. To the moon and back Uncle Randy I will remember you for ever and always. Rest Easy. I will see you on Saturday to tell you one last time aside from talking to myself that I LOVE YOU. Auntie Im here and Myself, Karyn, Danyell and Samantha will do anything for you to help. We are here for you always.

*Forever and Always,
