“ *I am deeply saddened to learn of the news of my friend Dr. Raymond Alie, spassing. My condolences to his family. I was first introduced to Dr. Alie when he called me about a year after I had moved to Hampton almost 40 years ago. He was given my name by the pastor at OLMM, and he called me to ask if I would help him teach CCD Sunday evenings at his home. These students were high school age, getting ready for confirmation. Over several months, we bonded, and he became my friend. We played a few tennis matches together, we would catch up on sports, etc. after masses, and I became a loyal patient of his both at his house and the new offices in Hampton. Because of Ray's influence, I am happily teaching at a Catholic school, Saint Patrick Academy in Portsmouth. I know that many people like me will miss the kindness that this man practiced every day of his life. I know that you are in heaven now sharing your kindness, gentleness, and many a good story. Please rest, dear servant of God.*

“ *Thoughts and prayers to the family of Dr. Alie. I was just asking about him a couple weeks ago at my annual eye exam. I saw Dr. Alie since I was a kid when his practice was on Exeter Road. Though I moved from the area, I always came back to his practice. He was so thorough and professional. Loved his smile and friendly demeanor. Rest In Peace Dr. Alie. You will be missed by many your served throughout the years. Kathleen (Remick) and Joseph Barry*

“ *Dr. Alie was the best in the world. He always made you feel at home when you were in his chair. We always had a chuckle about how he caught my mom getting out of Pat's car at church one Saturday. She thought it was her car. He was a gentle soul and I will forever keep him in my heart. My sympathies are with you all.*

“ *Uncle Ray was far and away my favorite uncle. He was an inspirational role model and even though he did not know it, by his example I relatively later in life became an active practicing catholic. He will be sorely missed. I pray that he will quickly ascend into heaven and rightfully sit with God and Jesus. My prayers for his family. Charlie*

“ My greatest sympathies to the Alie family. I have so many fond memories growing up an going to school with Ray and Mary Beth. Even though they had a large family to support, Dr and Mrs. Alie always made me feel welcome, often included me for lunch in between playing all day as a child as well as bringing me on skiing trips with the family. My trust in Dr. Alie as an eye doctor started as a child but continued throughout adulthood. After I moved to Florida In my late 20's I would fly to N.H. for appointments. He was soft spoken, kind and had a great sense of humor at home and at work. His love for his family was always evident. I'm sure that anyone that had an eye appointment after mine as an adult was not happy about waiting while he filled me in so proudly about all the kids and grandkids and how well they were doing. I have no doubt that he will be greatly missed by family, friends and anyone that knew him professionally.  
My love and prayers are with you all. I hope you can find peace in knowing his spirit will always be with you.

*My sincere Sympathy to the Alie Family in the loss of Dr. Alie. I knew Dr. Alie from coming into our office at the Dentist Office and always looked forward to seeing him. His Smile would light up a room and the stories were endless and worth each word said. His love of his wife Irene, well lets just say "The Love of his Life" often he made mention how he would not know what he would do without her. Then his Children and Grand Children oh my goodness he loved them unconditionally. Playing tennis, going bike riding, or on vacation at the family home, and his love of his Church OLMM and God. Plus the love of his Friends, he was and will always be a favorite person that I have met and loved listening too each time we saw each other. I will say my prayers for Dr. Alie that he is with God and resting now. My prayers will also be for Irene and her family during this journey.*
