“ *Buddy and I were in Miss Seltz's 5th grade class at Bowling Green School. Then we both went to Westbury Junior High and High School. After High School we lost track of one another like so many of us did. I went on the Suffolk County Police Department in 1972. Was I surprised when I walked into radar school around 1990 and heard "Hi Keith, how are you? It's me, Buddy Elliott." Never did I expect to run into my 5th grade classmate on the police department.*

“ *So sorry to hear about Ray. I worked with him on the Thornhill Board for a few years. He had a great sense of humor and was enjoyable to be around. My sincerest sympathies.*
