“ I will always cherish the unconditional love Aunt Becky gave to all of us!

She was one of the my most positive influences throughout my entire life.

My favorite memories of her will always be all our adventures bodysurfing the ocean waves. No matter how cold it was or how big the waves were. Even when she was older and needed my help to get up after crashing up on the beach. She always joined me!

Love you all,
Sandra

“ Kathy,Debbie Wendy

I share in your grief.I remember all of our childhood fun with your Mom always there. From playing in the brook to lining up a parade with our bikes in the driveway, we always found our fun. She was always there to encourage us on.
