

Richard W. Moore

January 17, 1964 - October 4, 2020

Hampton – Richard W. “Rick” Moore, 56, of Hampton, passed away at Massachusetts General Hospital on Sunday, October 4, 2020 as a result of injuries sustained in a motorcycle accident. Rick was born on January 17, 1964 to parents, Roland Moore of Plymouth, NH and June (Corson) Bavis of Ashland, NH. He shared over 30 years of marriage with his beloved wife, Fran (Henson) Moore.

Rick’s family moved to Ashland when he was a toddler and he went on to graduate from Ashland High with the Class of 1982. Shortly after graduation, Rick enlisted in the United States Navy and served his country honorably as a Missile Technician onboard the nuclear submarine, USS Ulysses S. Grant. Upon his discharge, Rick went to work as an engineering technician with Teledyne D G O’Brien of Portsmouth, a position he has held for the last 30+ years.

After a few moves, Rick and Fran bought their home in 1993 and settled in Hampton. Rick was a work-a-holic yet his devotion to family was undeniable. He was known as “Bumpa” to the grandchildren and pool days and baking class with them were some of his happiest times. Rick always put the needs of others before his own. He was truly a one of a kind person that will never be forgotten.

He enjoyed hunting and skiing with his friends, Jon Lee and Tom Pike or spending his days at the pool with loved ones, Brian, Jess and Connor Kelly. Rick was also a member of the Ashland American Legion.

In addition to Fran, Rick is survived by his sons, Mark Doyle and his wife, Jen, of Plaistow and Jacob Moore of Keene, his grandchildren Cece and Beckett Doyle, his brothers, Craig and wife Hillary of Ashland and Scott and wife Vicki of Plymouth and his sister, Lori Mayo and husband, Dan of Meredith. He also leaves several nieces, nephews and cousins and many good friends.

Visiting hours will be from 4 to 6 PM on Friday, October 9, 2020 in the Remick & Gendron Funeral Home – Crematory, 811 Lafayette Road, Hampton. I only saw him a few times since then but from all of the comments from his friends and coworkers he was exactly like I remember him. My condolences to his family and friends.*

"Rick Moore was one of those rare, all around Good Guys. His relationships with his family as a husband, father, grandfather, son, son-in-law, or any of the rest of us for the past 30+ years are a model for all to emulate. A true gentleman with a gentle soul to match. We knew him as a brother-in-law who was always doing something for someone else, not because they asked, but because he knew it would make their day better. 14 Blueberry Lane will never be the same and we are so very, very, sorry." “ I've worked with Rick for 15 years. I was once told the secret to getting things done at DGO was knowing who to talk to. Nine times out of ten, the person to talk to was Rick. He was always a great source of help and knowledge on the many projects we worked on together. Every fall I looked forward to coming in on a Monday and sharing the weekend hunting stories. He was always available for a good conversation, both work and personal. He was someone that I enjoyed being around. This place will never be the same without him. My condolences to all his friends and family.

“ I knew Rick for 18 years. As a fellow Submariner, we often spoke of the 'good ole' days' about life onboard a submarine. We also talked about our hunting and fishing exploits and about the 'big one' got away. At work, Rick was the consummate professional revered by all his coworkers.

You will be truly missed my friend.

RUN SILENT, RUN DEEP!

Until we meet again.

“ Moore family, I am truly heart broke to hear of your loss. The Moore family has been part of my life as long as I can remember. My Mom and Rick's Dad graduated together. My first dog was given to us by Mr Moore, and of course we kids all went to school together. I remember Rick as a gentle soul. May you find comfort in your memories of him. My love and prayers to you all. Diane (Young) Cobourn (Bob)

“ I met Rick on one of my first days at D.G.O'Brien almost 20 years ago and since then I've been in awe at the breadth of his knowledge and expertise on many topics. If you had a problem, you went to Rick. One time he fixed my shoe when the sole was peeling off! In the past few years we traveled together several times in difficult circumstances and Rick was invaluable, showing his mettle when any issues came up. He was funny, smart, helpful, and earned the respect of everybody he met. He will be missed.
Love to Fran and family.

“ I was so very sorry to hear of Rick's untimely passing. I have worked at Teledyne for 7 years so I have not known him for long. He was always kind to me and happy and very helpful, especially at the company social events. It was always a pleasure to run into him in the hallway and say hello. I will miss that very much.
