“ *Dick and I were classmates and he was my first crush. Alas, he was more interested in Mimi Felch, as were most of the boys in our 7th and 8th grade classes. I loved his sense of humor. And at a class reunion, in the 1990's, I found he still had that same sense of humor as well as an interest in poetry. We exchanged poems for a while and then lost touch again but I have fond memories of him. Condolences to his family from Pat Corliss.*
