“ *Rick was a great guy, good friend & awesome MHS classmate! He truly cared about people and their feelings ~ will truly miss his genuine nature! Rick was a very popular & good looking guy & certainly didn't have to be nice to those of us who were not as popular, but he always went out of his way to include us all 😊 Going to miss his positivity, kindness & positivity! Godspeed my friend!*

“ I am sending my deepest sympathy to the entire Smith family. I met Rick 5 years ago when we were both assigned to the same loss and ever since that time, we have become great friends. He was the kindest, most professional and compassionate person I have known in the insurance / water mitigation industry. We have shared years of laughs and stories going from job to job and he will be sadly missed and never forgotten. His laugh, humor, kindness and friendship is a loss for everybody that knew him. God bless to his family.

Sincerely,

My best memories of Rick were from playing together on our freshman high school basketball team at Madison High School. He was also kind enough to invite me to join him to see the Knicks play at Madison Square Garden that year. It was a great thrill and very generous. He always was a positive and friendly force, and will be greatly missed.
