“ I've had the honor of knowing Dick close to 20 years and more recently celebrated 17 years as part of the Traut family having married Heather in July 2001. Dick was always full of big smiles, strong hugs, profound wisdom and guidance, he had a contagious laughter and a true love for life and family. He was a kind and gentle man whose integrity could not be compromised. He was always there for everyone, willing to help in any way he could. Whether it was as simple as borrowing a tool or him painting and installing a new ceiling in Andrew's bedroom in our first home. Not to mention installing shelves in our bathroom when I either didn't have the time, patience or skill (a complete surprise to me for my birthday). He was truly devoted to his wife, daughters, grandchildren and family and will be deeply and sadly missed by all.

*With all my love,
Martin*
