“ You were cooking for Election Day in this picture as you did every year. Oh how my baby girl loved you so much and we enjoyed our visits to TJ Maxx especially Christmas time with you. You always thought of all the little ones in the family. You volunteered and gave so much to our Town and it's people. We had many great memories together and our last phone call you told the baby to come take care of you. Hug momma for me and you all keep watch over us We were blessed to know you we will miss you Rita and may you Rest In Peace. Love Tom, Maria, and the baby

“ You were active in volunteer work well into your nineties. You worked endlessly for years preparing the beans for the once a month suppers. Your presence at the lunches with the girls was greatly missed. You left behind thousands of memories. God bless!

“ Time goes by so fast. It seems like yesterday you would be helping out down at the bean suppers. Aunt Caddie would make her famous Indian Pudding. Phila would be there, and it was a good time for everyone. You worked over at the Rec during voting with my Kimberly, and she just loved you to pieces. I remember as a little girl Daddy taking us over your house to see that donkey. Give my love to everyone, and tell them we will all be together soon, Love Ya, Elizabeth

You were very active and helpful well into your nineties. Who could ever forget your endless hours preparing for the bean suppers. The volunteer hours on helping the different organizations were in the thousands. The girls that went to lunch with you every week will have great memories. God bless you Rita!
