“ *My mother and our family were saddened to hear of Rita's passing. We shared many a treat together, while I was visiting my mother. They formed a close friendship while they were rooming together, and I know my mother (and we as well) will never forget her. We wish your family strength at this time and hope some way her peace will guide you through the next few day and months. Sincerely, Joe Nett on behalf of Edie Nett and the Nett family.*
