“ Bob was such a special person, he always had something positive to say about everyone. When I saw him at various get togethers we always talked sports. He loved the Boston teams and robustly shared his opinions about how they were doing and how they needed to improve!

Bob always had a smile on his face when I saw him and to me he was truly a "gentle soul"

He will be greatly missed by all who knew him.

Rest in peace my friend.

“ I had worked with Bob for over the last 2 years. Every morning he would walk into the office with a huge smile on his face. He loved his job. No matter what was going on with him he was ALWAYS upbeat, happy and smiling. When he walked into a room he brought all of that positive energy to all that he came in contact with. He will be sorely missed. I was very lucky to have met him.
