“ *I just learned of Bob's passing. I worked with Bob at West Marine for many years and he was a wealth of knowledge (and patience) for both boaters and fellow employees. I am so very sorry for your loss. He often talked about his family, his involvement with The Special Olympics and the Patriots, when he wasn't schooling us all in the finer points of marine electronics. He will be greatly missed. My sincerest sympathies.*

“ Norma, Susan, Bill, Robbie, and Brett,

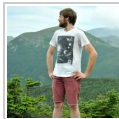

So very hard to believe Bob is gone. He was such a great guy! I will never forget the first day I met him at the old E&B. We went through many ups and downs together with West Marine. I will always remember the great clam bakes we had at Pleasant Valley. Bob did the best job! As I recall he and Brett collected the seaweed and they hauled “everything” needed to the Valley. Those were fun times! And the Penguin Plunges... we always wanted to go, rain, or shine, or even sleet! He had quite a following!

Thinking of you all.
