“ *as I am not a man of many words, this was from an unknown author,,,*

God saw you were getting tired, and a cure was not meant to be

*So he put his arms around you, and whispered come with me
With tearful eyes we watched you, as we saw you pass away
Although we love you deeply, we could not make you stay
Your golden heart stopped beating, hard working hands at rest
God broke our hearts to prove to us... He only takes the best*

*You're wisdom and laughter will be missed.
see you on the other side.*

“ ” My thoughts go out to Carrie, Mikayla, Michelle, Shannon and the rest of the family. Eric and I will always remember the good ole days down at Ronnie's fires. We had such good times with Bob down there. Bob was right at home out in the wilderness and the thing I remember most was how I could strike up a conversation about anything under the sun with him and he would be happy to talk about it. Great guy! Rest in peace, Bob.

“ *Buka is a really good man ... a friend to everyone ... always fun to be around ... he and I are peers ... he is just about two months older than I am ... we joked about being Prom dates back in our day ... I don't know anyone that does not like Buka! He is a key member of the "Jittos Family" and he will be sorely missed ... Love and light to Carrie and Mik and the rest of Buka's biological family and also to the Jittos Family ... I consider myself blessed to call Buka my friend and I will miss him like crazy ... I believe I will see him again ... I'll look for him where the laughter is loudest. Rest in Peace Buka much love, holly morency gleason*

“ *Not enough words in the dictionary to describe this loss!!! My thoughts and prayers are with you Carrie, Michelle, Shannon & Mik! I hope knowing that Buk is at peace now and not suffering will hopefully ease the pain of this great loss. Remember all of those fun and silly times you all shared and I use the word silly very loosely! I know you have a wonderful circle of friends & family to help support you through your time of healing... Lots of love to you all.. DMMM*
