“ *I always enjoyed playing golf league matches with Bob at Pease. He was a truly nice guy, and an excellent golfer as well. I'll really miss seeing him at the Club. My condolences.*

*Just having some store bought pierogis and remember when Bob made me and my wife home made and the best. I was the GM and Head Golf Professional at Green Meadow and worked with Bob. I remember when I did a night drop at the Bank of NH and the bag got stuck in the night drop slot and he showed up with his plumber tools and got the cash bag in the night drop. 😊 Just thinking of him and found out he passed, so sad he passed away. Good person! Patrick O'Keefe*

“ Dear Dot, I will miss Bob (with two b') at Pease in the coming months. Working in the Pro Shop, I saw many people come and go but none finer than Bob. He enjoyed the game but no more than those he played it with. He is going to be missed by me any many others at the club. My sympathies. Penny

“ Mrs. Grzywacz, I am a nurse with the VNA and saw you and your husband a couple of weeks ago and also last year. I want to express my sincerest sympathy to you for the loss of your wonderful husband. He was truly a gentleman. I enjoyed hearing your stories of his music and your love of going dancing together. It was so very clear how devoted you were to one another. I'm thinking of you at this difficult time. Jane

“ Dear Dot, Helen and I are in Florida and were saddened to hear of Bob's passing. I was golfing today and thought of Bob when I was on the tee box-he told me 80% and turn your shoulders, and when I do it--it really works. He will always bring a smile to my face when I am out there wacking the ball around. He was a true gentleman and fun to be with-we shall miss him, May he rest in peace, Fondly, Stephen and Helen
