“ Bob and I were acquainted as teenagers through caddying at Springfield Country Club and as high school hockey rivals (Cathedral and West Springfield). By coincidence, we both went to Boston college in 1963. During the first few months of school Bob, the popular hockey personality, went out of his way to see to it that I, Mr. Average, made the right social connections. More than 50 years later I have not forgotten that accomodation. Glad I saw him a few years ago in Springfield at the funeral of one of his parents to tell him how much I appreciated the great favor he did for me. Great Guy.

“ *Mr. Kupka was arguably one of the most respected and well-liked teachers at Roslindale High School, and after it was closed, subsequently at West Roxbury High School. He coached soccer and hockey and was an excellent teacher outside of the sports arena. He was popular among students and faculty and had an excellent sense of humor which made him endearing to his students.*

I will always remember him with his ever-present smile, and funny quips. May he rest in peace, and may his memory be eternal. God Bless You, Mr. Kupka...

He was a wonderful teacher, coach and role model for all students at Rossie High during a time in our lives when we needed those kind of adult/leadership qualities the most.
