“ *Many memories of my brother Bob and growing up in Danvers, spending some summers at Province Lake, NH. Walking to school everyday, building the wall in the driveway at 6 Linwood Rd with muscle and crowbars. Cleaning out the chicken coop the year my Dad raised chickens. Clearing up the field on Lawrence St that we played baseball, football on which eventually became the Lawrence St park. Crazy cat that went under the gas operated fridge and kept burning her whiskers off in the pilot light. Same cat catching frogs in the brook at Province Lake.*

We had some friendly fights too, I broke his arm during a pillow fight, he broke my jaw..accidentally during a play fight in the water at Province Lake one summer.

Along with out sister Sandra we were raised by great parents, but lost our Mom while were were still in our teens, after a long period of illness. Love and miss him.

Rich and Shirley too

“ *I will always remember when my father passed away, Mr. Wall
brought over food for our family that you had prepared for us. He
was so upset, he could hardly speak. My parents and siblings
always thought you were a great family and wonderful neighbors.
So sorry for your loss and my condolences to your family during this
difficult time.*
