“ *Welshy aka Snapper was my best friend thru middle school - high school and a few years after. We shared many life time memories together. We lived together dated girls together totaled cars together. Basically we laughed loved cried and bled together. Every time I drove thru Seabrook I would look at his house and wonder of he was there. I had always thought we would see each other again and we would talk of the old days and laugh and probaly cry again. One of my biggest regrets is I never stopped! I love you Snapper I will see you on the other side. God knows we are going to the same place 🤔😭*

“ Our deepest sympathy to Bob's family and friends. He was family to Bob and I, you never knew when he would randomly drive 185 miles just to have a cup of coffee with Bob. He was always there to lend a hand, he worked hard helping to restore this old house back in 1994 when we moved north. Rest in Peace Welchie, you will always be in our hearts and thoughts, thank you for the many years of friendship.

“ My heart broke when Johnny knocked on my door Sunday night and said Welchie passed. You have been a friend of my brother, and our family for over 50 years. I saw you last week but you didn't see me, you were climbing into your truck out in front of my house. I will miss you Bob, but we will all be together forever soon. Love you, and my prayers go out to your mom, and all of your family... Give Kelly a hug for me <3
