“ *Dawn It was nice to speak with you last week just wish the circumstances were different. So many good memory's but all decades old. I am truly sorry for your loss. I know it's times like this where we tell in other we need to stay in touch but then life steps in and time or lack of seems to challenge us in following through. I am going to make an effort to drop a line now and then and hope you might do the same. Your last long lost cousin from the Swindells Clan

“ *Growing up in Hampton Falls Robin, Dawnie and I were always together. Although we have not always kept in touch, when we were to see each other the time apart melted away. I have so many wonderful memories of us together. I am an avid skier today thanks to you! So sad to know now that I will never see her again. I am sure this is very hard on all of you, especially Sarah and Dawn. My thoughts are with you all. She will be missed. She will forever remain a big part of my life. God bless and take care of one another.

“ Robin and I grew up in Hampton Falls together and her mom Lois worked for my mom Auntie Marie Janvrin...our lives took different twists and turns but I often thought of her as I always thought she was a very talented person and she was successful in whatever she choose to do. My heart and prayers go out to you all. I am sure Robin has left quite a an empty place in your family. Live in the many memories that you have all created over the years and know that Robin is up in heaven with Bob and Lois her loving parents skiing the high mountains and watching over you all.....until you meet again...

“ So saddened to have been told today of Robin's passing. Although I haven't been in touch recently what fabulous memories of our time spent together in Stratham. She graciously opened her home to my husband and myself when we had nowhere to live! She hosted many parties that our friends and co-workers will I'm sure remember to this day! Loved being at her home with Nannie and Sarah! Talking into the wee hours of the morning. What an absolutely wonderful person. Will rock in the chair they gave me for my daughter's shower 20 years ago with a smile on my face knowing she is at peace now with our Lord. God Bless Sarah and Nannie! Love you! Monique & Tom Dolan
