

Robin A. Jellison

November 2, 1969 - March 10, 2026

Wells, ME- Robin A. Jellison, 56, of Wells, Maine, passed peacefully and surrounded by family on Tuesday, March 10, 2026.

Beloved daughter of Marilyn Barry and the late Theodore Jellison. She is survived by her brother Michael Wyatt and his wife Karen of Billerica, MA, and her brother Michael Salvi of Somerville, MA. Cherished aunt to Jackie Wyatt and Kaitlyn Wyatt Fieler and husband R. J. also of Billerica.

Friends and family recall her fantastic sense of humor accompanied by a laugh that could really wake up a room. She had quite an admiration for all things Scotland as well as for animals, Andrea Bocelli and Donna Summer. She also thoroughly enjoyed spending time with her family and friends.

Robin worked at the Portsmouth Naval Shipyard up to her passing. It was here that she met some of the most incredible people who supported her fully through one of the toughest challenges of her life. Something for which she was truly grateful for.

Visitation will be held from 10 AM to 12 PM on Sunday, March 22, 2026, in the Remick & Gendron Funeral Home-Crematory, 811 Lafayette Road, Hampton. A celebration of life will be held at 12 PM immediately following visitation in the funeral home.

In lieu of flowers, and should you desire, donations may be made in Robin's memory to the Safe Haven Humane Society, PO Box 91, Wells, ME 04090 or online by clicking here (<https://www.safehavenhumanesociety.org/donate/>)

“ It's with a heavy heart that I remember Robin, a truly fun, lovable, and carefree spirit who touched the lives of everyone she met. Her absence leaves a void that can never be filled, but her memory will forever be a source of joy and comfort.

I'll always cherish our long conversations and the way she was always there, ready to listen. I can still see her pulling over to pick me up when I was hitchhiking, a simple act of kindness that spoke volumes about her generous heart. Her laughter was infectious, and we would always end up laughing together, no matter what we were doing.

Her devotion to her family, especially her mom, was truly something special. Her mom was her world, whether they were tackling a chore like cleaning the basement, running errands like grocery shopping, or celebrating a new car. Their bond was a beautiful thing.

Robin, your life will continue on in my heart. The memory of your laughter, your kindness, and your free spirit will be a part of me forever. You are loved, and you are missed more than words can say.

“ Again, Michael I am very sorry for your loss. One of those memorial trees listed is from myself and my partner kristine. We thought it was a way to recognize your sister's incredible life and to express our support during this difficult time.

*With Love,
DJ Andrea and Kristine*

“ I am so very sorry for your loss. Robin was a very sweet person.

Tyler Stevens - March 17 at 04:59 AM

“ So sorry for your loss Marilyn. Robin was such a kind soul. Donation made to the Humane Society from the George family. You are in our prayers.

George Family - March 16 at 06:15 PM

“ I'm so sorry to hear. I worked with Robin at CCS many years ago and remember her as always having a smile for everyone. My sympathies to her loved ones.

“*Marylin and family, we were so sorry to hear of Robin's passing. She was such a lovely, energetic, warm person and we enjoyed the opportunity to know her. We cannot imagine just how hard these days must feel for all of you to have such a bright light like Robin gone. We hope though that your memories of her and that boundless energy, that kindness helps in the day's ahead. And serve as a reminder that though she is no longer within physical reach, her spirit lives on in all who had the opportunity, however fleeting or long, to have known her. Please do the best you can to take care of yourselves. And Marylin, one of us is home nearly all the time, so if you ever need anything, please let us know. As per Robin's wishes, a donation was made in her memory to Safe Haven Animal Rescue in Wells. Your neighbors, Phyllis & Sue*
