

## Roger Lee Brisson

August 12, 1968 - April 24, 2025

Derry- Roger Lee Brisson was born on August 12, 1968, and took his last breath the morning of April 24, 2025, succumbing to the long-term effects upon suffering traumatic brain injury after being hit by a car four and a half years earlier.

God saw him getting tired, and a cure was not to be.  
He wrapped him in his loving arms and whispered 'Come with me.'

He suffered much in silence, his spirit did not bend.  
He faced his pain with courage, until the very end.

He tried so hard to stay with us but his fight was not in vain,  
God took him to His loving home and freed him from the pain.

The above is from all~greatquotes.com and summarizes how we believe Roger lived these past few years. While our hearts mourn the loss, we take comfort knowing that he is no longer suffering and that his Aunt Cecile, who recently succumb to cancer, was waiting for him at Heaven's Door.

Roger is survived by many friends and family with those most dear to his heart being his mother Jae Soon, his brother James and his family, his sister LeAnne and her husband, and most especially his only son, Wesley, whom he

loved with all his heart.

Our sincere gratitude to Kim Ferranti as well as his caregivers at Pleasant Valley Nursing Home and Harborside Hospice.

There will be a private family celebration of Roger's life at a later date.
