“ We are connected in Blood and Hearts.....we are forever family. Those who had the joy of spending time with Roger were very fortunate. He was our cousin and we spent a short while with him when we were younger, we had great times hanging around his dads fruit and vegetable stands playing, joking, laughing. It is those moments we hang on too for it makes us have warm hearts of love for him. May the family be joined with heartfelt memories and grow his love forever more in their lives to take with them daily of his attributes of who he was and became.  
Much Love always your loving Kilburn-cousins. Judy, Lorrie, Denise, Richard, Edward, Roland. xxxxxx
